

# South Florida School Safety & Security Summit

**Safer Schools by Design**

---

Friday  
**April 5th, 2019**

**Signature Grand**  
**6900 State Road 84**  
**Davie, FL 33317**

**PARTNERSHIP OPPORTUNITIES**

## Who We Are

We are a group of design and construction professionals, safety & security experts, educators, administrators and local government officials who have been moved by the events that have taken place at Marjory Stoneman Douglas High School, Sandy Hook Elementary School, Virginia Tech and too many more of these types of tragedies. We have committed ourselves to identifying facility solutions and sharing information that will result in safe and secure educational environments which allow students and educators to focus on learning without being concerned for their safety.

Dear Supporter,

We are pleased to announce the South Florida School Safety & Security Summit, also known as "SFS4", being held on Friday, April 5th, 2019 at the Signature Grand located at 6900 State Road 84, Davie, FL 33317.

The Summit will bring together designers, building officials, policy makers, solution providers and others who want to make our public, private and charter K-12 schools as well as higher education institutions safe without making them feel like prisons. The event will focus on physical enhancements that can be made to new and existing schools taking into consideration the impacts of those improvements on the building occupants, Senate Bill 9026, building codes, fire safety as well as school operations and culture.

Some of the topics to be addressed include Crime Prevention Through Environmental Design (CPTED), Electronic Security Systems, Security Devices, Building Codes, Fire Safety and Lessons Learned from incidents such as Stoneman Douglas High School, Sandy Hook Elementary School, Umpqua Community College and Virginia Tech.

Our invited guests include architects, building officials, board members, elected officials, charter schools, contractors, emergency managers, engineers, fire safety officials, law enforcement, parents, planners, private schools, public school facility managers, safety & security vendors, safety consultants, school administrators, state/local school officials, students, and teachers.

We invite you to partner with us as a financial contributor to the summit. Enclosed you will find a menu of options for your contribution. Please complete the partnership commitment form and send back with your payment made payable to the Florida School Safety & Security Summit. Please feel free to contact me with any questions or concerns at (954) 546-3997 or [saferschoolsbydesign@gmail.com](mailto:saferschoolsbydesign@gmail.com).

Sincerely,  
**Joseph Sanches**  
Summit Committee Chair

## How is the SFS4 Different From Other Industry Events?

<b>Focused</b>	Focused on physical security enhancements to school buildings.
<b>Attendees</b>	Participants will include facility designers and builders, policy makers, district administrators, school-based staff, building officials and more.
<b>Location</b>	Convenient to South Florida and within 30 minutes of Parkland.
<b>Timely</b>	Information is now available from the Florida Department of Education and school assessments.
<b>Affordable</b>	Registration costs less than one quarter of the cost of most conferences.

## Schedule At A Glance

<b>Registration</b>	7:00am - 8:00am
<b>Sessions</b>	8:00am - 2:30pm
<b>Expo and Reception</b>	2:30pm - 5:30pm

## Registration

**\$55** Industry Associates  
**\$25** Government & Schools
